

Challenge other classes

- Motivate students with fun, interactive challenges
- View a leaderboard of all classes at your school
- Challenge one of your own classes or another teacher's class

School-wide leaderboard

- 1 Motivate the students in your classes when they see the points for all classes in your school. A new challenge starts each month.

The screenshot shows a user interface for a school-wide leaderboard. A dropdown menu is set to 'Earth Science'. A 'Class code' field is visible. A 'Landscape' button is present. A table lists classes and their points:

Class	Points
Human Body Final Test Mr. Jones 91 Students	3895
Moon Phases – Block A Ms. Smith 21 Students	3749
Algebra 1 – Block A Ms. Miller 26 Students	2554

Callout boxes provide instructions:

- Select a class**: Points to the 'Class:' dropdown menu.
- Select the School leaderboard**: Points to the 'School' radio button in the challenge selection area.
- Make sure you have set your school. Click on your User Name on the HOME page and then Settings to edit it.**: Points to the 'Lincoln Middle School' header.
- View the points for each class in your school this month (points update nightly).**: Points to the table of class points.

Class-to-class challenge

- 1 You can also run a challenge by choosing specific classes in your school (your classes or other teachers' classes).

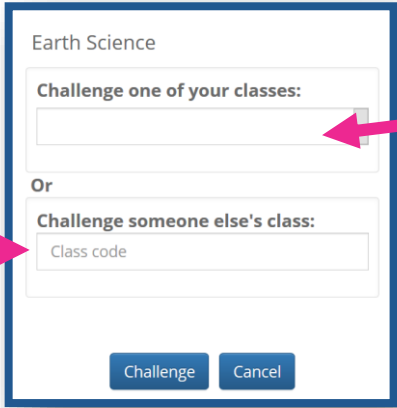

The screenshot shows a user interface for a class-to-class challenge. A dropdown menu is set to 'Earth Science'. A 'Class code' field is visible. A 'Join class' button is present. A 'Challenge' button is highlighted. A table lists classes and their points:

Class	First score	Last score	Video
Changes In Ecosystems - TERMS			

Callout boxes provide instructions:

- Select one of your classes. IMPORTANT: It must be a class that you created not just one that you joined.**: Points to the 'Class:' dropdown menu.
- Select the Challenge leaderboard**: Points to the 'Challenge' radio button in the challenge selection area.
- Then click the Challenge button**: Points to the 'Challenge' button.

- 2** Challenge one of your own classes or another teacher's class:

Challenge one of your own classes

Enter the class code of for another teacher's class

- 3** Students in your class and in the class you challenged will get a notification on their JogNog Messages tab.
- 4** The challenge starts on Monday morning. Point totals reflect the number of correctly answered questions for the students and quizzes in each class. The point totals are updated once each night.
- 5** The challenge ends on Thursday night. You will be alerted on your JogNog Messages tab if your class won. You can start another challenge on Monday morning.

Congratulations!

You can now motivate and engage your students with a fun and interactive class to class challenge. See which class can learn and correctly answer the most questions!
