Microsoft Teams: Challenge

- Motivate students with fun, interactive challenges among your team
- Build teamwork

1. Motivate the students in your teams to see which team can learn the most. You can start and stop the challenge whenever you like.

Make sure to select your school

Go to the leaderboards
You can challenge all of your teams to answer the most questions correctly for quizzes in your team.

Select the Challenge leaderboard

Name your challenge

Tell students what quizzes to complete, when the challenge ends and what their reward might be

You can start and end your challenge whenever you like

The results of previous challenges are shown on the same page
Congratulations!

You can now motivate and engage your students with a fun and interactive class to class challenge. See which class can learn and correctly answer the most questions!
